# EMPOWERED by the Spirit

Here's what you can be looking forward to during this empowering retreat weekend:

What does it mean to be empowered by the Spirit?

Who is the Holy Spirit and how do we hear His voice?

Are we truly living courageously as we walk in step with Him?

We will journey together in studying what it means to lead a spirit-led life. Come with an open heart that's ready to learn and connect with God and each other.

## Ephesians 3:16-17

I pray that from his glorious, unlimited resources he will **empower** you with inner strength through his **Spirit**. Then Christ will make his home in your hearts as you trust in him. Your roots will grow down into God's love and keep you strong.

## Our Speaker— Katy Watson:

Katy is wife, mom of boys Finn & Theodore, writer and life coach.

For fun, she loves updating their 1920's home, doing anything outside, listening to podcasts, and (on rare occasions when she has the kitchen to herself) cooking up new recipes. She's also known to nap in her car when alone.

Katy has written an eBook about her journey of putting faith over fear and she loves to spur others on toward knowing Jesus more deeply through spiritual transformation, conflict resolution, and Biblical literacy. You can learn more by following Katy on Instagram, and can find her eBook, *30 Days of Brave*, on Amazon.

She considers it a privilege to get to learn (and play!) alongside the women of CBC again at this retreat!
